THE PROGRAM

This intensive *four-day* educational workshop is designed specifically for juvenile defenders. You will be on your feet every day perfecting your advocacy skills in the context of a case from your own caseload. At the end of each day, juvenile defenders will join the main lectures and demonstrations along with TPI participants. Topics covered include brainstorming, development of theories of defense and themes, understanding adolescent developmental psychology, how to fight waiver hearings, opening statement and closing argument, direct and cross examination, and attorney-client relationships.

The format is a learn-by-doing teaching method, emphasizing extensive participant performance. The process utilizes small-group workshops based upon your cases; presentations; videotaped exercises; and coaching. The design of the program will be personalized to encompass your strengths and weaknesses. The seminar will be accredited for **32.0 CLE hours**. (Includes 2.0 hours of Ethics)

Attendance and active participation is mandatory.
